

# FinePix XP130

Tough enough to shoot in all situations  
High-resolution 16.4 MP sensor & continuous shooting mode

The FINEPIX XP130 is the latest model in the XP series rugged camera category. Waterproof to 65 ft., shockproof up to 5.8ft, freeze proof to 14° F and dustproof makes this camera ideal for all your outdoor adventures. In addition to these four rugged features, the FINEPIX XP130 is now enhanced with new and exciting features including Bluetooth® capability, Geo Tagging, Double Exposure and Electronic Level.

## Specifications

### FinePix XP130

#### NEW FEATURES

- Bluetooth Capability - The newly installed Bluetooth low energy technology allows automatic and instant image transfer to smartphones and tablet devices by easy pairing registration. The technology also syncs the time and location information from your device and attaches it to images.
- Geo Tagging Capability - Choose whether location data downloaded from your smartphone is embedded in pictures as they are taken on your XP130
- Double Exposure – Create artistic photographs that combines two exposures
- Electronic Level - Useful function for capturing horizontal subjects, such as beautiful landscapes or solid architecture
