Pana-Vue® Pana-Scan™

Easy-Scan Portable Handheld Scanner

- **Easily Scan Almost Anything, Anywhere, Anytime.**
- **Small and Lightweight Carry With You Anywhere.**
- **Ready to Use Anytime – Battery Operated. Works Without a Computer.**
- **Save Scans Directly on a Micro SD Memory Card. Archive, email, print, share.**

Pana-Vue Pana-Scan Easy-Scan Portable Handheld Scanner is the fast and easy way to scan, organize and archive any flat object or surface up to 8 1/2" x 50"-- Photos, Documents, Artwork, Magazines, Books, Newspapers, Passports, Recipes, Birth Certificates, Wallpaper, Letters, Fabric, Receipts, and more.

Turn that stack of papers into easily organized digital files. Take it with you to the library, and scan the pages you need. Scan an article from the newspaper or a magazine to share with friends and family. Scan important family papers to send to family members.

Easy, Fun, Lightweight and Portable (powered by 2 AA batteries) you can carry the Easy Scan with you and save your scans on a micro SD card*. You can then send the scans by slipping the micro sd card into your cell phone or just wait till you get back and download to your computer. OCR (optical character recognition) software** is included to convert your scanned files into easily editable text files.
