

Pana-Vue® Pana-Scan™ SLIDE & FILM SCANNERS

Pana-Scan Scanners enable you to quickly and easily convert your cherished 35mm Slides and Negatives, and 110 Negatives (with optional 110 carrier) and 126 Negatives (with optional 126 carrier) into high resolution digital images.

Pana-Scan scanners give you an easy way to print, share, email, archive and digitally store all of your precious memories.

The APA123 5 Mega-Pixel Pana-Scan Portable Slide & Film Scanner enables you to scan your slides and negatives directly to an SDHC Memory Card**without the need to be connected to a computer. You can show all of your precious images and memories on TV, and print, share, email, archive and store them too.

The APA125 has all the same features as the APA123 BUT scans images at 14 Mega-Pixels! This enables you to enlarge your images and crop and maintain sharp crisp images.
