AP Original & Multi Page: Storage/Display Book

The only storage/display book of its kind! Accept no imitations! Completely acid-free through its polypropylene, PVC-free construction and quality crafted, black acid-free mounting paper provided in each page. Archival safe for all your art storage needs.

Great for storing photographs and film of all sizes. Top-loading, clear polypropylene sheets will not stick to copier toner and are also ideal for storing a vast array of artwork and memory projects.
